

Da Vinci Europe[®] laboratory solutions

NMR Robot

330 positions for 150L x 10D mm sample tubes

Bruker MiniSpec MQ20 NMR integration

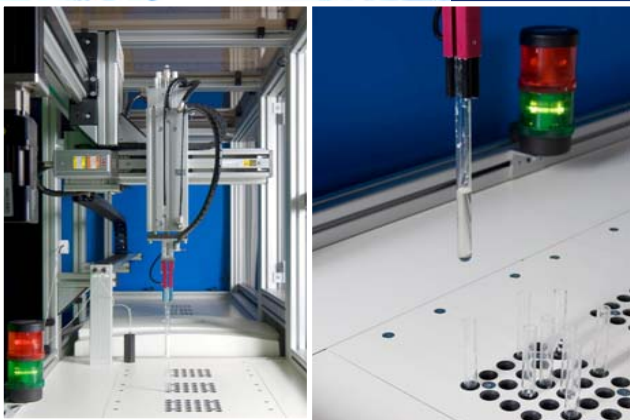

11 Temp zones 0-60°C using Peltier technology

Temperature monitoring and trending

DVE Advanced job scheduling software

Sample logon using barcode

Siemens Unilab LIMS Connectivity

Application: Solid Fat Content according ISO 8292:1991
